

Now I'm Home (Christmas)

The Karma Factory Music & Lyrics © 2020, Scott Lippincott, Nursery Rhymes Music (BMI)

Christmas time is coming
You can feel it in the air
The snow is in the courtyard
and all the trees are bare

The children all gather to sled down the hill
Kittens are peeking out the window sill
This is no time to be all alone
I've been gone for a very long time
but now I'm home

The Christmas party is tonight
and all my friends are here
There's food out in the kitchen
and plenty of good cheer

So pull up a chair and let me get you beer
we'll watch Christmas Story like we do every year
This is no time to be all alone
I've been gone for a very long time
but now I'm home

The carolers are singing to the candlelight
start humming the chorus of Silent Night
This time of year we can't be out on our own
I've been home for a very long time
but now I'm home
