

Good At Missing You

The Karma Factory Music & Lyrics © 2020, Scott Lippincott, Nursery Rhymes Music (BMI)

I think I, am getting good
At missing you
Half the time, I don't know
What to do

Never really got to say goodbye
I wish I could have looked you in the eye
Never thought I'd wind up close to here

I remember all the days
You laughed with me
And all the little ways we
Used to be

Never really got to say goodbye
I wish I could have looked you in the eye
Never thought I'd wind up close to here

Now I'm good at missing you
Now I'm good at missing you
